Can you answer these questions?

- What are the University's new procedures for the selection of its design-build contractors
- What future projects are on the University's radar screen
- When does the University believe that development of Innovation Campus will begin

If not, join us to learn the answers to these questions, PLUS....MUCH MUCH MORE

For anyone wanting to work with The University of Nebraska, this program is a must attend.

Speaker Bio:

-**Rebecca H. Koller** is the Vice President of Business and Finance and Director of Facilities Planning and Management for the University of Nebraska System. The system consists of 45,000 acres on five campuses, and includes 23 million gross square feet of buildings with a replacement cost of \$3.8 billion. She is a registered architect with 31 years experience, 13 years in the private sector and 18 in higher education.

Koller is responsible for board policies ranging from planning to qualification based selection, ensuing procedures and contracts, and administration and coordination of a Project Review Board and Project Evaluation Board pool.
