## YOU'RE INVITED!

### St. Louis DBIA's 2nd Birthday Party

**WHEN:** January 20, 2010

**WHERE:** Blueberry Hill  
6504 Delmar  
St. Louis, MO 63130

**TIME:** 5PM - 7PM

## HAPPY BIRTHDAY DBIA-ST. LOUIS!

We have completed a second successful year of breakfast seminars and education events. Please help us celebrate our second year of success once again at Blueberry Hill. Come network with St. Louis' premier DBIA professionals and find out what it takes to become one.

The St. Louis chapter of the Design-Build Institute of America (DBIA) is celebrating its second year as a viable organization in the design and construction industry. The DBIA exists to educate companies and individuals employing the design-build project delivery method and to facilitate partnerships between design-build practitioners and business owners requiring construction services. DBIA promotes the value of design-build project delivery and teaches the effective integration of design and construction services to ensure success for owners and design and construction practitioners.

As always we are looking for volunteers to help fill out the steering committee as well as volunteers to help with fundraising , breakfast programs, email communications and membership.

We have another full year planned for 2010, including being able to offer several DBIA continuing education classes.

We'd like to extend a special thank you to...
